Mr Anthony Smith,  
Heckford Advertising,  
6 St Marks Place East,  
Preston,  
Lancashire,  
PR1 8TN.

Dear Anthony,

Thankyou for your quotes of 12 October 1994.

I confirm that the creative concept, colour separation and running print-outs are acceptable.

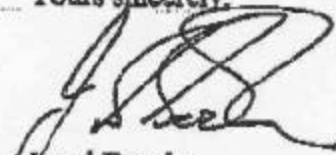

I would like to confirm therefore, our order for the above with anticipated delivery time of part of the finished product by Friday 28 October 1994.

With regard to advertising, I confirm that we wish to book a double page in G.T. and A.P.N. monthly until further notice.

Would you also arrange for advertising to be booked into Exchange and Mart National, in the appropriate section. We would like this to be quarter page, preferably top right. Obviously the text in the advertisement needs to be slightly more specific.

I trust this is satisfactory and look forward to your comments.

Yours sincerely,

Jared Brook,  
Managing Director.
