Dear Sirs

LINCOLN JULIAN FRASER

We understand that you Heckford Printers who have obtained a Bankruptcy Order against Mr. Fraser. We understand that the Order is being appealed and the appeal will be heard at the Liverpool Chancery Division on the 13th August.

We act for Mr. Julian Salmon who is owed £42,850 by Mr. Fraser and his partner Mr. Jared Brook. At the present time we have a Bankruptcy Petition presented against Mr. Brook which will be heard at the Grimsby County Court on the 14th August.

In the circumstances our Client has instructed us to support your Petition. We wonder whether this will be necessary bearing in mind that you have already obtained the Order and this is an appeal hearing. However, we thought it may be helpful for both parties to co-operate on this matter and as such we thought it best to notify you of our Client's interest.

If you feel that there is any assistance that we may give you with your Petition against Mr. Fraser we would be grateful if you would let us know.

We look forward to hearing from you.

Yours faithfully

WILKIN CHAPMAN
