[whois.networksolutions.com]

The Data in the VeriSign Registrar WHOIS database is provided by VeriSign for information purposes only, and to assist persons in obtaining information about or related to a domain name registration record. VeriSign does not guarantee its accuracy. Additionally, the data may not reflect updates to billing contact information. By submitting a WHOIS query, you agree to use this Data only for lawful purposes and that under no circumstances will you use this Data to: (1) allow, enable, or otherwise support the transmission of mass unsolicited, commercial advertising or solicitations via e-mail, telephone, or facsimile; or (2) enable high volume, automated, electronic processes that apply to VeriSign (or its computer systems). The compilation, repackaging, dissemination or other use of this Data is expressly prohibited without the prior written consent of VeriSign. VeriSign reserves the right to terminate your access to the VeriSign Registrar WHOIS database in its sole discretion, including without limitation, for excessive querying of the WHOIS database or for failure to otherwise abide by this policy. VeriSign reserves the right to modify these terms at any time. By submitting this query, you agree to abide by this policy.
